

An Nowodhow: Past Editions

Recordings and scripts are available from BBC Sounds by following this link:

<https://www.bbc.co.uk/programmes/p0cgfhxh/clips>

This takes you to a library of short clips from BBC Radio programmes, including An Nowodhow.

Unfortunately, they are not dated, so you have to scroll down the page and pick them out from amongst the miscellany.

The most recent edition is nearest the top. Older clips are available for up to one year.
